

SLFRF Compliance Report - SLT-0757 - P&E Report - Q3 2023

Report Period : Quarter 3 2023 (July-September)

Recipient Profile

Recipient Information

Recipient UEI	WSF2CJ1GNEH7
Recipient TIN	946000539
Recipient Legal Entity Name	Sonoma County, California
Recipient Type	Metro City or County
FAIN	
CFDA No./Assistance Listing	
Recipient Address	585 Fiscal Drive STE 100
Recipient Address 2	
Recipient Address 3	
Recipient City	Santa Rosa
Recipient State/Territory	CA
Recipient Zip5	95403
Recipient Zip+4	
Recipient Reporting Tier	Tier 1. States, U.S. territories, metropolitan cities and counties with a population that exceeds 250,000 residents
Base Year Fiscal Year End Date	6/30/2019
Discrepancies Explanation	
Who approves the budget in your jurisdiction?	Legislature + Executive
Is your budget considered executed at the point of obligation?	No
Is the Recipient Registered in SAM.Gov?	Yes

Project Overview

Project Name: Housing Location Services

Project Identification Number	AF220
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.18-Housing Support: Other Housing Assistance
Status To Completion	Completed less than 50%
Adopted Budget	\$2,065,000.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$609,866.40
Total Cumulative Expenditures	\$591,963.38
Current Period Obligations	\$310,512.57
Current Period Expenditures	\$307,922.73
Project Description	Increase Properties that will accept rental assistance in high opportunity areas. Provide stabilizing basic essentials to homeless households entering housing.
Does this project include a capital expenditure?	No
Please identify the dollar amount of the total project spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	No
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	2 Imp Low or moderate income HHs or populations
Secondary Impacted and/or Disproportionately Impacted populations	14 Dis Imp Low income HHs and populations
Is a program evaluation of the project being conducted?	No
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	Increase Properties that will accept rental assistance in high opportunity areas. Provide stabilizing basic essentials to homeless households entering housing.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	Homeless individuals due to lack of access to sanitation facilities and lack of singular location to isolate had disparate impact from Covid. Lack of the features offered in a home results in increased impacts on health services and emergency based services.

Project Name: SC 211 United Way

Project Name: County Campus Emergency Homeless Shelter

Project Identification Number	AF225
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.18-Housing Support: Other Housing Assistance
Status To Completion	Completed 50% or more
Adopted Budget	\$1,500,000.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$1,500,000.00
Total Cumulative Expenditures	\$1,500,000.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	<p>"The managed emergency housing facilities would include, but not be limited to:</p> <ul style="list-style-type: none"> • Tent and/or pallet shelter facilities for up to 50 individuals or pairs, including portable restrooms, washing stations, and a shower service. Pets would be allowed if deemed safe to others. A community gathering area would provide a place to rebuild community and independently plan for next housing steps. • If appropriate, staff intend to collaborate in both programming and funding participation with the City of Santa Rosa a Safe RV/Car Parking element that would include up to 25 RVs or cars, to allow more people to move off the waitlist at the current SR Safe Parking location off of Stony Point Road. • Site management that includes resident safety protocols, security, aesthetic and safety fencing, sanitation, rule adoption and enforcement, visitor restrictions, places for bikes and storage of possessions, and community responses as required. • Resident case management, including behavioral and physical health care, recovery services, housing navigation, benefit assistance, and related wrap-around services. This would include travel assistance to medical professionals, jobs and job training, and more. • Rules and standards that protect resident safety and the safety of adjacent neighborhoods. <p>The locations would be both housing first (individuals cannot "use" onsite and substance use disorder would be managed via harm reduction principles) and housing-focused (meaning a top priority during a person's stay is to regularly and diligently pursue housing), with a routine review of residents' progress in securing long-term housing, either at another interim site, PSH, or other housing. Residents would be expected to follow a case manager's direction to pursue long-term housing, which would be reviewed on a 28-day recurrence. Those that were making progress on their path to stable housing may be able to stay longer than 28 days, those who were not making</p>

	<p>progress could be directed to leave. A stay duration limit would be applied consistent with the US Department of Housing and Urban Development’s (HUD’s) Continuum of Care rules. Staff envision this safe sleeping and RV parking location to be operative for up to a year, but this timeline may need to be adjusted based on conditions in the field.</p> <p>Staff envision one or more service providers assisting with this effort, likely from existing area vendors. For example, one vendor may provide site management, with another providing case management. Alternatively, one provider may be selected to manage one or both sites. The emergency declaration noted in this staff report would allow the rapid assignment of these roles.</p> <p>It is likely that current County staff at the Department of Health Services’ Interdepartmental Multi-Disciplinary Team (IMDT-HEART) within the Division of Homelessness Services may assist in standing up the safe sleeping location, but staff hope that this time-intensive need will not be required for more than a few initial weeks. In the longer term, it is likely that the IMDT-HEART and IMDT-Expansion cohorts would assist service providers and safe sleeping location individuals with additional case management, behavioral health or substance use disorder support as needed (as the teams do for existing sites). "</p>

Project Name: OoE Community Engagement Policy Development

Project Identification Number	AF303
Project Expenditure Category	3-Public Health-Negative Economic Impact: Public Sector Capacity
Project Expenditure Subcategory	3.4-Public Sector Capacity: Effective Service Delivery
Status To Completion	Completed less than 50%
Adopted Budget	\$400,000.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$400,000.00
Total Cumulative Expenditures	\$190,042.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	The goal of the ARPA-funded Community Engagement Plan is to achieve equitable participation and access to County government services and resources for systemically underserved communities of color and other communities who have traditionally experienced marginalization from government processes and services. The Plan will provide guidance and best practices for County departments to engage with community members in a culturally responsive manner.
Does this project include a capital expenditure?	No

Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The Plan is being developed in three phases including: Phase 1: Evaluate the county’s existing community engagement efforts through a series of focus groups and interviews with County staff and leadership. Conduct a review of documents related to existing community engagement efforts across County departments. Asses comparable jurisdictions’ language access efforts and models to better understand gaps and opportunities for the County of Sonoma.
Brief description of recipient’s approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The Plan is being developed in three phases including: Phase 3: Present the plan to internal County stakeholders and members of the community with the goal of finalizing a community engagement plan document including operating guidelines or “best practices” that can be used by all county departments.

Project Name: OoE Language Access Plan and Recommended Policy Development

Project Identification Number	AF304
Project Expenditure Category	3-Public Health-Negative Economic Impact: Public Sector Capacity
Project Expenditure Subcategory	3.4-Public Sector Capacity: Effective Service Delivery
Status To Completion	Completed less than 50%
Adopted Budget	\$310,000.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$185,850.00
Total Cumulative Expenditures	\$47,600.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	The goal of the Language Access Plan and recommended policy is to ensure consistent, high-quality, and culturally responsive language access to residents who are monolingual, Indigenous language speakers, and other linguistically diverse individuals who engage with the County of Sonoma. The Plan will establish guidelines, best practices, and a policy to ensure meaningful language access provision across County services for linguistically diverse communities.
Does this project include a capital expenditure?	No
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The Plan is being developed in three phases including: Phase 1: Internal review to assess the County in relation to other comparable jurisdictions, including the creation of a demographic analysis of the languages spoken in the local community. Conduct focus groups with bilingual and other internal staff to understand the current practices across the organization in relation to language access.
Brief description of recipient’s approach to ensuring that response is reasonable and proportional to a public health or	Phase 2: Conduct focus groups with linguistically diverse community members to better understand communities' challenges and experiences accessing resources and services from the County in their preferred or native language. Develop toolkits for staff use for future engagement with

negative economic impact of Covid-19

linguistically diverse communities.

Phase 3: Develop the language access plan document and recommended policy, grounded in data and input from county staff, leadership, and community.

Project Name: EBD Broadband Project

Project Identification Number	AF502
Project Expenditure Category	5-Infrastructure
Project Expenditure Subcategory	5.21-Broadband: Other projects
Status To Completion	Not Started
Adopted Budget	\$3,000,000.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$0.00
Total Cumulative Expenditures	\$0.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
	<p>Since the adoption of the Economic Development Board’s Broadband Action Plan < https://sonomaedb.org/current-initiatives/broadband> in June 2021, the Board of Supervisors has taken significant action to close the internet availability gap by directing staff to research options to expand broadband access. These efforts have been focused on advancing utilization (“adoption”) of existing resources and infrastructure development.</p> <p>The Board’s action parallels recent state and federal grant programs that fund and facilitate broadband planning, infrastructure, and adoption, including the California Public Utility Commission’s (CPUC) Broadband Equity, Access, and Deployment (BEAD) Program, the Federal Communications Commission’s (FCC) Affordable Connectivity Program, and the American Rescue Plan Act (ARPA).</p> <p>This item requests board direction on an implementation model for an Open Access Network in Sonoma County, alignment on proposed Priority Areas and selection of at least one Priority Area on which to focus preliminary low-level network design, approval to utilize existing funds to expand low-level network design, and approval of a Memorandum of Understanding with Golden State Connect Authority (GSCA) to facilitate the GSCA’s proposed broadband infrastructure project in yet-to-be determined areas of the county.</p> <p>Discussion:</p>

Project Description

Many unincorporated areas of Sonoma County have long experienced limited broadband availability. The Board of Supervisors has long supported increased access to broadband by joining the North Bay North Coast Regional Broadband Consortium, allocating funding for staffing to support broadband initiatives, and supporting broadband-related legislative priorities. In 2021, the Board of Supervisors took significant action to start to close the internet availability gap by directing staff to research options to expand broadband access. The Board's action is reaffirmed by recent state and federal laws that fund and facilitate broadband planning and infrastructure, including Senate Bill 156, the American Rescue Plan Act (ARPA), and the Infrastructure Investment and Jobs Act. Economic Development Department staff continue to monitor legislation and have extensively researched possibly pathways to bring broadband infrastructure funding and availability to Sonoma County.

Open Access Network

On June 8, 2021, as part of the adoption of the Broadband Action Plan, it was determined that an Open Access Network model was the preferred method to solve the County's primary broadband challenges as this model best addresses access and affordability.

On August 18, 2021, the Board of Directors of Rural County Representatives of California (RCRC) voted unanimously to approve the formation of a Joint Powers Authority (JPA): Golden State Connect Authority (GSCA). GSCA is comprised of and governed by Supervisors of 39 rural California counties and is designed for the purpose of increasing access to reliable, affordable high-speed internet for the residents and businesses of those counties. On October 5, 2021, the Board adopted a resolution to join GSCA.

Through the collective efforts of its members, GSCA will pursue initiatives to:

1. Expand the internet in rural counties through the pursuit of technical assistance and funding for member counties.
2. Install and operate open-access, municipal internet infrastructure starting with select initial locations and then expanding to additional sites.

GSCA's planned Open Access Network has positioned itself to finance broadband infrastructure with numerous mechanisms such as state and federal funding. Under the model, GSCA would build, own, and operate broadband

	infrastructure in member counties. The open access network is planned to operate with the intention of inviting internet service providers such as Sonic, Comcast, and AT&T, as well as others to provide internet services to residents using GSCA's infrastructure. This model lowers the cost for service providers to enter the market, creating a competitive environment to spur high-quality services at affordable prices.
Projected/actual construction start date	1/1/2024
Projected/actual initiation of operations date	12/31/2024

Project Name: Sonoma County Employee Labor Lump Sum

Project Identification Number	16601
Project Expenditure Category	6-Revenue Replacement
Project Expenditure Subcategory	6.1-Provision of Government Services
Status To Completion	Cancelled
Adopted Budget	\$0.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$0.00
Total Cumulative Expenditures	\$0.00
Current Period Obligations	
Current Period Expenditures	
Project Description	Portions of County's calculated revenue loss amounts are being used to fund on-going government services, including certain incurred labor costs (worker retention-type incentives, premium pay, furloughed worker pay, and payroll/benefits for eligible public sector staff) for County public employees (\$6.5M). The County will update once all funding and projects related to ARPA funds have been approved by the Board of Supervisors.

Project Name: DHS - COVID Emergency Financial Assistance

Description	On behalf of CRA and other County Departments, ISD is creating an enterprise level geospatial map for county data to increase accessibility to services for the public and other institutions, as well as provide operational efficiencies. In addition to providing property data, the website could be easily updated in an emergency, in order to provide comprehensive evacuation and disaster footprint information. Census data could also be included to better understand the populations served, which would support equity in decision making.
Subrecipient	County of Sonoma
