Site Reuse & Revitalization Program

Through September 2019, U.S. Environmental Protection Agency (EPA) Brownfields Assessment Grant funding will be available to parties interested in completing Phase I and II Environmental Site Assessments (ESAs), hazardous building materials surveys, Cleanup Action Plans, and a variety of site-specific reuse planning activities. Property owners, businesses, developers and community stakeholders are encouraged to take advantage of this funding opportunity to further economic development initiatives, protect public health, and restore the environment.
